

Holy Family Catholic High School

Lasallian Scholar Award

Adult Recommendation

Thank you for agreeing to submit a recommendation for a Holy Family Catholic High School Lasallian Scholar Award applicant! The Lasallian Scholar Award is a unique program offered independently of the financial aid distributed to families on a yearly basis. Your comments will help us discern the best possible candidates for the available \$1,500 awards. Qualifications for the award reflect our school's four pillars of integrity, scholarship, leadership, and faith. We have requested that applicants not use family members as referrals. Using the descriptions provided below, please let us know how the student best exemplifies the characteristics of Holy Family's four pillars and return both this form and your recommendation to the school no later than **March 1**.

- **Integrity** discerning right from wrong; consistently acting upon that discernment.
- **Scholarship** having a love of learning exemplified in strong academic performance.
- **Leadership** influencing others in positive ways.
- **Faith** searching for/finding God through prayer and service to others.
